

Snapshots in Time

Game Play Instructions

Individual Game Play

1. Arrange the cards on a table with the date sides facing down, or arrange in a stack with the date side facing down and shuffle. **DO NOT LOOK AT THE DATES ON THE BACK OF THE CARDS.**
2. Select a card, turn it over and read the text and date. Place this card date side up in the middle of the table to start the timeline.
3. Select another card read the text and analyze the image on the card. **DO NOT LOOK AT THE DATE ON THE BACK OF THE CARD.**
4. Place the card to the left of the first card if the event occurred before the event on the first card in the timeline. If it occurred after the event on the first card, place it to the right.
5. Repeat the process until all the cards have been played. Turn the cards over to see how many were placed correctly and incorrectly.
6. Repeat the game to improve accuracy and speed.
